- **eLearning**
- **Lumos Quill**
- **Math Videos**
- **Decoratives and More..**

# A BRIDGE TO COMMON CORE STATE STANDARDS

Lumos Learning Supplemental Programs have been supporting students with subject mastery and test prep since 2008. Developing a strategy for transitioning from the current State Standards to the Common Core State Standards and increasing student achievement on the standardized tests is a priority in all school districts. Lumos Programs were built from the Common Core State Standards (CCSS).

These programs provide high quality content and an innovative software platform to help teachers efficiently create custom lessons and assessments and deliver them to students in a flexible manner.

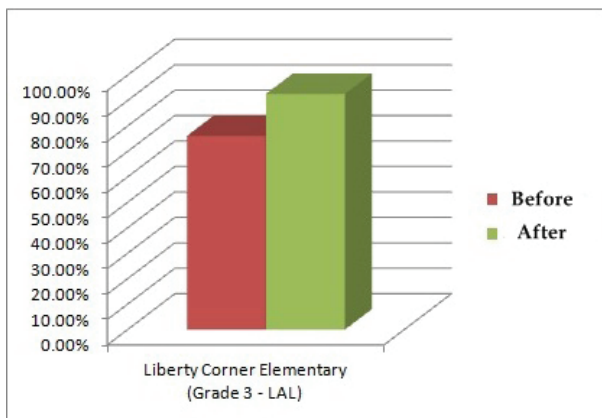

## Key Benefits

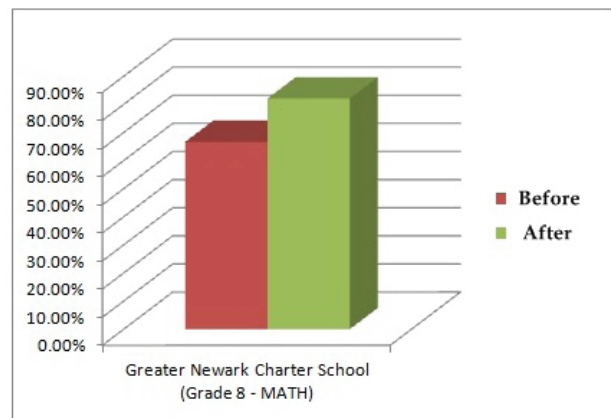

- Helps improve student achievement on the standardized tests
- Individualized instruction using 21<sup>st</sup> Century tools
- Accelerates CCSS adoption through high quality content and software
- Flexible eLearning platform for teachers to create lessons, assessments and monitor student's online work
- Extends students learning experience beyond school hours

## EVIDENCE BASED SUPPLEMENTAL PROGRAMS

Lumos provides Supplemental Study Resources of both Math and English Language Arts for grades 3 through 8. Several schools have successfully introduced these resources to increase student achievement in classroom and on the standardized tests. Lumos Case Studies presented below use data that are publicly available through the State Department of Education databases. The data used for these analyses include historical aggregated achievement data in standardized tests at various levels ranging from individual grades at a given school to the state level.

Liberty Corner Elementary Increases Language Art Literacy Proficiency by 16%

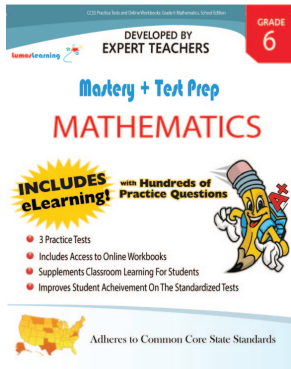

Greater Newark Charter School boosts MATH Proficiency by 15.4%

# FLEXIBLE SUPPLEMENTAL PROGRAMS

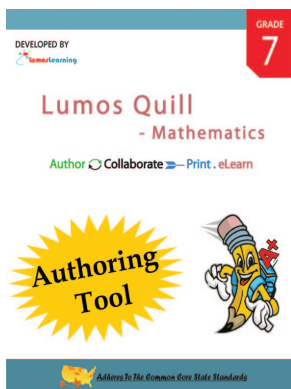

Lumos Supplemental study materials are available in printed, eLearning and Video formats to suit varied learning needs of students. All the high-quality content of Lumos Learning programs are developed by Expert Teachers. Their extensive experience with standardized tests and deep understanding of the Common Core State Standards provide the foundation for the Lumos Study Programs.

## PRINTED BOOKS

- 3 Practice Tests that mirror the new CCSS aligned standardized test pattern
- **Plus** student-friendly eLearning
- Hundreds of practice questions correlated to the Common Core State Standards (CCSS)
- Teacher Guide with answer key and detailed answers

## LUMOS QUILL

Quill allows teachers and curriculum leads to easily create custom interactive lessons and assessments that supplement classroom learning. It helps educators collaboratively capture and centralize lesson plans and assessments and make them available to students in both print and eLearning format.

It includes all the key benefits of eLearning along with a Teacher Portal through which teachers can easily review the online work of students.

## eLEARNING PROGRAMS

Lumos online courses help improve student achievement on the standardized tests and supplements classroom learning. It includes:

- 3 Practice Tests that mirror the new CCSS aligned standardized test
- Hundreds of practice questions correlated to the Common Core State Standards (CCSS)
- Teacher Portal : Teachers can easily review the online work of students
- Student Portal : Personalized learning, Convenient 24x7 access and Real-time progress reports

Student ->	Course	Lessons Attempted	Total Lessons	% Complete
STUDENT NAME	Grade 3 Math - NJ ASK Practice Tests and Workbooks (NJ CCSS)	5	18	28%

# IT WORKS!

“Lumos Learning capitalizes on both of the primary advantages of eLearning through their online learning platforms for Math and Language Arts learning. Their products combine student friendly eLearning platforms and the required content from the CCSS for grades 3 – 8.”

- Mrs. Adams, Teacher

“I asked my colleagues for feedback about the program and they just said that they are grateful to have it. They get a lot of requests from parents and they are able to fill that need. The parents are pleased with the program.”

- Dr.Elliott, Library Branch Director, Somerset County Library System

“We used the Lumos Program this year for my daughter’s standardized test preparation. My daughter got the perfect score! I highly recommend it.”

- Li, Parent, Bridgewater
